#TechTalent2021

Tech Talent is back for 2021

The region's largest tech recruitment event is back!

Bigger and better than ever before, Tech Talent will see between 70-80 businesses showcase their opportunities to an expected audience of **1000 attendees**.

Now taking place online – we're helping to bring the talent you need to the North East. Tech Talent is being promoted both inside and outside the region to attract the best graduates and professionals.

Take a look at our fantastic exhibitor and sponsorship packages and confirm your spot now.

PRESENTS

Exhibitor Pack

Join digital and technology SMEs, tech enterprise companies, professional development bodies, training providers and further and higher education providers for the North East's annual Tech Talent event on 24 February 2021.

Why Exhibit?

- Advertise your vacancies - these are not limited to tech roles; they can be product, design, marketing, business development, finance - anything you wish

- Meet potential candidates in an informal setting

- Widen your talent pool

- Raise your profile

- Find out about new training and CPD opportunities for your team
